

VOLUNTEER AT BURR!

We'd love to have you join us today to support the students and staff of Burr School. Whether it's selling concessions at a school event, working with teachers and other parents to coordinate a Creative Arts & Sciences program, or working behind-the-scenes on a community event, there are numerous opportunities to get involved in ways both big and small. Plus, it's a great way to meet new friends and get involved in the Burr community!

Please check out our many volunteer areas below and consider how you can help. We simply couldn't offer these enrichment programs and events to our students and community without your support!

After you've had a chance to review the different volunteer areas, please click [here](#) to sign up for one of our current volunteer needs, or reach out to info@burrpto.org for more information.

Upcoming Events/Opportunities

Online Auction

The online auction is one of our biggest annual fundraisers. We need volunteers to join the committee to help round up some great creative auction items from the community, as well as to help enter data into the online website and deliver items to the winners at the end. Various levels of commitment possible- if you can solicit a couple of items or have a great idea, we'd love to have you join us!

World Culture Celebration - Virtual for 20-21

This year's World Culture Celebration is going to be a virtual event. The volunteer team will coordinate community members who are willing to share an aspect of their culture via zoom/video (music, parent discussions about various food dishes, etc) and create a live/video event we can participate in as a community.

Hospitality

The hospitality team coordinates providing coffee for the parent/principal coffees, the back-to-school teacher's breakfast, and the various festivities surrounding Staff Appreciation Week, which is coming up May 3-7, 2021.

Spring Community Events

We are looking forward to putting on a few events this spring that are new to our community. We are considering virtual family trivia, an outdoor scavenger hunt and outdoor movie nights.

Ongoing opportunities

Burr Directory

The Directory Coordinator helps publicize Burr's online school directory.

Burr Buzz Editors

Ever wonder how those Burr emails magically appear in your inbox? It's thanks to a small, but committed team of volunteer editors who help gather up "all the news that's fit to print" and sends it out in our weekly Burr Buzz newsletter. It only takes about an hour to complete, and editors rotate the responsibility every four weeks. Sign up today and help keep our community up to date!

Webpage Editor

We are looking for one or two creative, internet-savvy volunteers to help keep our website updated. This is an ongoing commitment, but one that doesn't take up a lot of time.

Room Parents

Room parents are the glue of each classroom community. They help facilitate communications between the teachers, the PTO and the families in their children's classrooms. They also help coordinate a few, small events. We are still looking for volunteers in a few classrooms.

Green Team

We are looking for a few volunteers to help out on the Burr Green Team. We plan to work with current, interested Burr students and staff to develop and support monthly student-led environmental initiatives for our Burr community.

Burr Sign Updates

Help keep the sign in front of Burr up to date. Flexible timing and commitment.
